Private Lesson Scholarship Application

The Titan Band Booster Club is providing a 50% scholarship towards private lessons for those students who need some help in covering the cost of lessons. This scholarship is completely based on need, commitment, and availability. Fill out the sections below stating why you need the scholarship and your level of commitment. Applicants must also understand that the booster club is working with limited funds and scholarships are awarded on a first come, first serve basis. The scholarship can be revoked at any time if the student has poor attendance or is not preparing properly for each lesson. When completed, turn this form in to Ms. Wykoff.
