Trip Handbook

**South Padre Texas
May 14-17, 2022**

Dear Students & Parents,

We offer a trip annually to our students as a reward for all of the hard work they put in throughout the year. Our students are very dedicated and give up much of their free time in the summer, as well as on afternoons, evenings, and weekends in order to achieve our collective band goals. We are proud of all of our students and we want them to have a great time. It is important though, to remember that going on a trip such as this is a privilege and should be considered as such. We expect our students to conduct themselves as representatives of the Titan Band and Centennial High School.

This year we are traveling to South Padre, Texas through R and R Travel. Our stay in South Padre will be 3 nights and 4 days. We will depart from Centennial on Saturday, May 14th and return on Tuesday, May 17th. The students will be treated to time on the beach and condo living with kitchens. The students will also be performing at Milam Park on Saturday.

Please read the enclosed information carefully. It includes expectations for conduct, the itinerary, and job assignments to make our trip a success. The trip is provided as a reward for all the hard work and effort that our students give to our program each year. While it is not a luxury tour, every effort is made to provide students with an exciting, enjoyable, and fun experience with memories for a lifetime.

If you have any specific questions or concerns, please feel free to contact Mr. Rein at reina@friscoisd.org.

Expectations for Conduct

We are very proud of the tradition of excellence of the Centennial Band Program. It goes without saying that our expectations for conduct and behavior are extremely high. The directors and chaperones are under a great deal of pressure in being responsible for each student traveling with the group, as well as making sure all travel arrangements are complete, and all necessary instruments and equipment are packed and loaded.

As you know, the actions of each individual are a direct reflection on the entire group. Students and parents should be aware that since this is a school-sponsored activity, all school policies and rules regarding behavior and conduct are in effect. Please read the following guidelines and memorize them. The desire of the band staff is to make the trip as enjoyable and pleasurable as possible for everyone involved while maintaining a high standard of character and professionalism for the CHS Band.
